ABOUT US

AD Legal is a team of experienced lawyers and financial professionals united by a shared commitment to delivering comprehensive, effective, and commercially pragmatic legal services.

Combining sound legal expertise with financial and commercial insight, we develop flexible solutions tailored to the evolving needs of businesses in a dynamic marketplace. Guided by professionalism, dedication, and innovation, AD Legal is committed to supporting clients in managing legal risks, enhancing operational efficiency, and laying the groundwork for sustainable growth.

OUR MISSION

At AD Legal, our mission is to serve as a trusted legal partner, providing clients with clear, timely, and practical advice. We enable businesses to make informed decisions with confidence by delivering flexible legal solutions, while maintaining the highest standards of professional integrity and legal responsibility.

OUR VISION

AD Legal aims to be a trusted advisor in Vietnam, distinguished by its strong legal expertise, pragmatic approach, and commitment to the highest professional standards. We strive to cultivate a collaborative and professional environment where lawyers and specialists can thrive, while contributing to the advancement of legal services and supporting the sustainable growth of the business community.

OUR TEAM

AD Legal brings together a team of experienced lawyers and specialists with extensive expertise in corporate, investment, commercial, finance, tax, and human resources matters. Our professionals have developed their careers at leading corporations, law firms, and advisory organizations in Vietnam and internationally, combining strong technical knowledge with broad and diverse practical experience.

NGUYEN NHAT DUONG

Managing Partner

Mr. Duong has extensive experience advising clients on foreign investment, mergers and acquisitions, international trade, corporate governance, and personal data protection. Before founding AD Legal, he served as in-house counsel for multinational companies in the tourism, real estate, and construction industries, including HIS WORLD and Hoa Binh Construction Group. These roles provided him with broad practical experience in navigating legal issues arising from day-to-day business operations and corporate governance.

He subsequently joined one of Vietnam's leading law firms as a Senior Associate, where he advised on numerous high-value commercial transactions and represented clients in complex commercial disputes before the courts and arbitral tribunals. In addition to his practice, Mr. Duong is actively involved in delivering training and sharing legal insights with businesses, particularly in the fields of employment law and personal data protection.

BUI MAI ANH

Partner

Ms. Mai Anh has extensive experience advising clients in the construction and real estate sectors. She previously led construction contract matters for leading law firms, contractors, and developers in Vietnam, including CNC Counsel, Hoa Binh Construction Group, Kim Oanh Group, and Novaland Group, where she gained significant hands-on experience in addressing legal issues arising throughout project implementation.

Focusing on construction and infrastructure matters, Ms. Mai Anh has provided comprehensive legal support to clients, including the review and negotiation of construction contracts, international sale of goods transactions, contract administration and performance, project finance matters, and the management of legal risks throughout project execution. In addition to her advisory work, she has represented clients in a number of complex construction and real estate disputes before the Vietnam International Arbitration Centre (VIAC).

OUR SERVICES

FOREIGN INVESTMENT

1

Partnering with international investors at every stage of their investment journey in Vietnam

AD Legal supports international investors throughout every stage of their investment journey in Vietnam, from market entry and the establishment of commercial presence to business expansion and corporate restructuring. Combining in-depth legal expertise with practical experience in dealing with regulatory authorities, we help investors navigate the Vietnamese market with efficiency, transparency, and long-term sustainability.

OUR CORE SERVICES

- Investment structuring and market entry advisory
- Incorporation of foreign-invested enterprises and projects
- Investment licensing, amendments and expansion
- Market access and regulatory advisory
- M&A and transfer of investment projects and equity interests
- Legal compliance support for foreign-invested enterprises (FDIs)

SELECTED PROJECTS

- Advising on market access conditions and successfully assisting a Spanish energy company in establishing a foreign-invested company in Vietnam with a charter capital of USD 8,000,000
- Advising and structuring the investment arrangement for an Indonesian petrochemical company in selecting the optimal investment model in cooperation with a Vietnamese partner
- Advising and implementing investment procedures for a major U.S. manufacturing company entering the Vietnamese market with a total investment of USD 18,000,000
- Providing comprehensive incorporation and ongoing compliance services covering legal, accounting, tax, human resources, and payroll matters for multiple foreign-invested enterprises operating in Vietnam in the services and trading sectors

M&A CORPORATE RESTRUCTURING

Structuring strategic transactions with accuracy in law and commercial sensitivity

M&A and corporate restructuring is one of AD Legal's core practice areas, where we combine legal expertise with financial insight and strategic deal thinking to help clients maximize business value and manage transactional risks. AD Legal accompanies clients throughout the entire transaction lifecycle, from preparation and deal structuring to execution and post-transaction matters, ensuring both legal soundness and commercial feasibility.

Beyond traditional legal advisory services, AD Legal also assists in preparing investment teasers to approach potential investors, as well as in business valuation analysis and support, thereby enhancing negotiation efficiency and improving the likelihood of successful deal execution.

OUR CORE SERVICES

- Deal structuring (M&A & project transfers)
- Due diligence (legal, financial, tax)
- Transaction documentation & negotiations
- Teasers / information memoranda
- Valuation support
- Corporate restructuring
- Post-deal filings & compliance

SELECTED PROJECTS

- Conducted comprehensive due diligence and successfully assisted the buyer in a share acquisition of a real estate company in Ho Chi Minh City, with a transaction value of USD 14,000,000
- Advised on deal structuring, conducted comprehensive due diligence, and successfully assisted the buyer in the acquisition of a paint manufacturing plant in Long An Province, with a transaction value of USD 26,000,000
- Advised on and implemented corporate restructuring procedures for a wood manufacturing company in Dong Nai Province, operating with approximately 900 employees and four factories
- Led corporate restructuring, prepared investment offering materials, and successfully supported the raising of USD 7,200,000 in investment for an industrial machinery manufacturing company in Tay Ninh Province
- Assisted a ceramics manufacturing company in Dong Nai Province in corporate spin-off and successful transfer of an investment project, with a transaction value of USD 12,000,000

CAPITAL MARKETS BANKING & FINANCE

Providing legal solutions for complex financing transactions and capital raising arrangements

Capital Markets, Finance and Banking is one of AD Legal's core practice areas, reflecting our strength in combining legal advisory services with practical understanding of corporate financial structures and capital raising transactions. We assist corporates and investors in designing financial solutions aligned with their business objectives, while ensuring compliance with the applicable legal framework and effective management of transactional risks.

AD Legal advises clients from the initial stages of structuring financing arrangements and preparing transaction documentation through to execution and completion of financial transactions, with an approach focused on both feasibility and long-term commercial effectiveness.

OUR CORE SERVICES

- Corporate bond issuances
- Equity offerings
- Loan and financing documentation
- Project finance structuring
- Security package review
- Capital markets and banking regulatory compliance

SELECTED PROJECTS

- Advised a diversified conglomerate in Gia Lai on the successful issuance of a USD 40,000,000 bond package
- Advised a real estate company in Ho Chi Minh City on the successful issuance of a USD 34,000,000 bond package
- Advised, prepared documentation, and supported a manufacturing company in Binh Duong in the successful private placement of shares valued at USD 23,000,000
- Advised and represented a construction company in Ho Chi Minh City in negotiating a real estate security arrangement in connection with a cross-border financing transaction

End-to-end legal services across the lifecycle of real estate and construction projects

Real Estate and Construction is one of AD Legal's key practice areas, where our lawyers bring extensive experience advising major investors, developers, and construction contractors in Vietnam. We support clients throughout the entire project lifecycle, from project development and investment preparation to implementation and operation, with a strong focus on legal risk management and ensuring practical feasibility in project execution.

AD Legal places particular emphasis on risk control through robust contractual frameworks and provides ongoing advice on issues arising during construction and project operation, helping clients minimize disputes and protect their commercial interests.

OUR CORE SERVICES

- Project development advisory (real estate)
- Due diligence & investment structuring
- Construction contracts (EPC, FIDIC, etc.)
- Contract risk management
- Project implementation advisory
- Construction & real estate dispute resolution (litigation & arbitration)

SELECTED PROJECTS

- Represented a construction contractor in Ho Chi Minh City in negotiations with developers in connection with construction contracts in Phu Quoc, Da Nang, and Ha Giang
- Represented a real estate developer in Ho Chi Minh City in successfully negotiating a joint investment arrangement for a real estate development project in Vung Tau
- Advised multiple Ho Chi Minh City-based companies on legal terms of construction contracts and real estate business agreements
- Provided ongoing legal advisory services to several office leasing developers in Ho Chi Minh City
- Represented a group of individual investors in successfully negotiating and settling share purchase and capital contribution agreements with a major real estate developer in Ho Chi Minh City

Practical tax strategies aligned with business operations

Tax advisory is one of AD Legal's key practice areas, built on the experience of our lawyers and tax-financial professionals who have advised numerous enterprises and large-scale investment transactions. We combine legal expertise with practical understanding of corporate finance to help clients optimize their tax positions while ensuring a high level of compliance in an evolving tax regulatory environment.

AD Legal places particular emphasis on assessing tax implications in investment decisions, corporate restructurings, and financial transactions, thereby enabling clients to proactively manage risks and design efficient transaction structures.

OUR CORE SERVICES

- Tax advisory for investment, M&A and corporate restructuring transactions
- Transaction structuring and tax planning
- Tax risk review in business operations
- Ongoing tax compliance advisory
- Tax authority engagement and audit support
- Tax dispute resolution and controversy advisory

SELECTED PROJECTS

- Reviewed, advised, and successfully represented a large manufacturing company in Dong Nai Province in resolving tax-related matters
- Assisted a manufacturing company in Ho Chi Minh City with tax finalization procedures, including a tax refund claim valued at USD 360,000
- Provided ongoing tax advisory services to multiple foreign-invested enterprises in Vietnam

**TAX
PLANNING**

Ensuring compliance while enabling modern HR management practices

AD Legal advises businesses on establishing and managing stable employment relationships in compliance with legal requirements and modern HR management strategies. Drawing on our experience advising both domestic and international clients, we support the development of clear and transparent HR policies, while enabling early identification and effective management of legal risks arising from employment relationships.

AD Legal places particular emphasis on sensitive employment matters, including disciplinary actions, termination of employment, workforce restructuring, and employee grievances. With a practical and balanced approach between employer and employee interests, we help clients minimize disputes and ensure stable and efficient workforce management.

OUR CORE SERVICES

- Employment contracts and labor agreements
- Internal labor regulations and HR policy frameworks (including registration)
- Disciplinary actions and employment termination
- Workforce restructuring and employment arrangements
- Individual and collective labor dispute advisory
- Representation in labor disputes before competent authorities
- Labor law compliance training and internal HR advisory programs

SELECTED PROJECTS

- Developed standardized employment document packages for multiple foreign-invested enterprises in Vietnam, particularly in the IT and manufacturing sectors
- Successfully drafted and registered internal labor regulations for several large-scale enterprises, including a manufacturing company in Ho Chi Minh City with over 1,000 employees
- Advised and represented multiple employers in successful negotiations for mutual termination of employment contracts with employees
- Conducted internal labor law compliance training for a manufacturing company in Long An Province, attended by more than 50 senior managers

Trusted legal support for everyday business decisions

AD Legal provides ongoing legal advisory services to businesses, acting as an external in-house legal function to support clients in addressing legal issues arising in their day-to-day operations in a timely manner. We assist clients in establishing transparent governance foundations, standardizing contractual systems, and managing legal risks throughout their business operations. In addition, AD Legal supports the development of internal compliance procedures and advises on corporate governance matters to ensure stable business operations in accordance with applicable laws and regulations.

OUR CORE SERVICES

- Ongoing legal compliance advisory for businesses (retainer services)
- Review, drafting and standardization of commercial contracts
- Corporate governance and operational advisory
- Development of internal compliance procedures and programs
- Support in dealings with state authorities

SELECTED PROJECTS

- Providing ongoing compliance services for a number of large-scale enterprises, typically FDI manufacturing companies located in industrial zones in Dong Nai, Ho Chi Minh City, and Da Nang
- Drafting and standardizing contract templates for various enterprises, including contracts for sale and purchase of goods, manufacturing and processing arrangements, and service provision agreements
- Representing multiple enterprises in negotiations and in resolving issues arising with shareholders, partners, and customers

Safeguarding creativity and enhancing brand value

AD Legal assists enterprises in protecting, managing, and effectively exploiting intellectual property as a key component of their sustainable development and competitive strategy. We recognize that intellectual property is not only a legal tool for safeguarding a company's brand, products, and innovations, but also a valuable intangible asset with significant commercial value, contributing to enhanced market positioning and investor attraction.

With experience advising a wide range of domestic and international clients, AD Legal provides comprehensive intellectual property solutions, from rights establishment and the development of protection strategies tailored to business models, to dispute resolution and support in the commercialization of intellectual property rights. We accompany clients in identifying risks, preventing infringement, and optimizing the value derived from intellectual property assets in practical business operations.

OUR CORE SERVICES

- IP registration (trademarks, copyright and related rights) in Vietnam and internationally
- Clearance searches, registrability assessment, and IP infringement risk analysis
- Drafting and review of IP assignment, licensing, and exploitation agreements
- IP commercialization advisory and transaction structuring
- Enforcement, dispute resolution, and infringement representation
- Regulatory support with IP filings and administrative procedures before competent authorities

SELECTED PROJECTS

- Represented a Thai enterprise in successfully securing trademark and industrial design protection in Vietnam for medicated oil products
- Advised on, drafted, and acted for various clients in franchise transactions, including coffee chains, fast-food brands, and restaurant systems
- Represented clients in resolving intellectual property issues and disputes involving partners and infringing parties

Supporting enterprises in establishing secure and compliant data governance frameworks

AD Legal supports enterprises in designing and operating data governance frameworks aligned with increasingly stringent requirements on data protection and information security. We integrate legal analysis, risk management, and practical technological considerations to help clients manage data in a secure, transparent, and efficient manner throughout their business operations and growth.

With experience advising clients across technology, e-commerce, logistics, HR, and service sectors, AD Legal assists in reviewing data processing activities, developing tailored compliance frameworks, mitigating legal risks, and strengthening internal data governance capabilities.

OUR CORE SERVICES

- Data protection compliance audits and advisory
- Drafting and standardizing PDPA policies, procedures, and contractual documentation
- DPIA and cross-border data transfer filings and regulatory submissions
- Internal PDPA training and capacity building
- Outsourced Data Protection Officer (DPO) services

SELECTED PROJECTS

- Delivered internal PDPA training for 30+ senior personnel of a Thai insurance representative office in Ho Chi Minh City
- Conducted compliance advisory, documentation drafting, and regulatory filings on personal data protection for a Japanese-invested real estate enterprise (500+ employees) in Ho Chi Minh City
- Provided end-to-end PDPA compliance services for a Korean-invested financial institution in Ho Chi Minh City

Protecting clients' interests in complex commercial disputes

AD Legal represents clients in commercial and civil disputes with a flexible, pragmatic, and results-oriented strategy. We support clients across the full dispute lifecycle, from risk prevention and dispute management, to strategy development, negotiation and settlement, and formal representation in court and arbitration proceedings.

Combining in-depth legal expertise, practical experience, and strategic thinking, AD Legal delivers effective solutions aimed at maximizing client outcomes, controlling costs, and minimizing adverse impacts on business operations and civil interests.

OUR CORE SERVICES

- Court litigation representation
- Commercial arbitration representation (VIAC)
- Dispute strategy advisory
- Negotiation and mediation
- Enforcement of judgments and arbitral awards
- Debt recovery and asset preservation in dispute contexts
- Pre-dispute risk management and advisory

SELECTED PROJECTS

- Represented a Ho Chi Minh City real estate developer in negotiations with customers and investors arising from delayed project handover
- Successfully represented a Ho Chi Minh City real estate company in litigation against a partner in an investment cooperation dispute valued at over VND 300 billion
- Represented a Ho Chi Minh City trading company (consumer electronics) in successfully arbitrating a dispute against a Chinese counterparty at VIAC
- Acted for multiple clients in enforcement proceedings across Ho Chi Minh City, Da Nang, and Dong Nai, successfully recovering long-outstanding receivables

WHY CHOOSE AD LEGAL?

"AD Legal provides us with professional, practical, and consistently timely legal support for every issue that arises. The legal team not only advises on compliant solutions but also deeply understands our business operations, helping us effectively manage risks and confidently expand our activities in a sustainable manner."

"I am very satisfied with the legal services provided by your firm. The legal team is highly experienced, dedicated, and possesses extensive expertise. In a complex legal matter, the lawyers provided comprehensive analysis and practical advice, helping me select the most appropriate solution. I have complete trust in your firm and am willing to recommend your services."

"AD Legal successfully supported me throughout my investment process in Vietnam and effectively resolved the legal disputes that arose along the way. Their team of lawyers demonstrated a high level of expertise, a strong understanding of the local business environment, and a practical, results-oriented approach to problem-solving. I highly appreciate AD Legal's professionalism, dedication, and commitment to standing alongside their clients at every stage."
